Present were: Larry Hill, Kim Hill, Willie Alderson, Eric Van Staveren, Dina Perugini, Mike Sanders, Teri Sanders, Dave Snider, Ron Borton, George Rogers, Bruce Cerney, Dale Langhorne and Blaine Hyde.

Meeting called to order by Willie and the reading of the minutes from the last meeting was waived.

Dina has spread the word about the upcoming elections. Will keep everyone posted if we have any nominations or volunteers.

Willie has talked to Cabela's and has permission to set up a table to promote our events and the Club. Dates for the promotion are January 14th and 22nd. Cabela's will also do a donation for the raffle. Willie will also get a flyer and possibly some posters made.

Blaine will start getting information out about the banquet and raffle to the members in hopes of getting more involvement.

Willie has rotated the name list for which kind of food to bring to the banquet: A-F (Desserts), G-L (Salad/side dish), and M-Z (main dish).

The board decided to buy booth space at the Sportsman's Show March 2 through March 5.

Possible locations so far for the training days are: Feb. 25 (Ben Echevarria, Jan Holsuevnikoff's or Eagle Island), March 11 (Jeff Webers), March 25 (Jeff Webers), April 8 Dale Langhorne's). Barbara Young's was also mentioned as a possibility.

Judges for the Hunt Test are: MASTER – Steve Thompson/Dale Langhorne, SENIOR – Allyn Foster/Dennis Johnson, JUNIOR – Allyn Foster, Mike Sanders.

Dina will be checking back with the AKC soon to find out if we can have an O/H Qualifying with the April Hunt Test.

Mike Sanders made a conference call to a representative of the HRC (Hunting Retriever Club) as an initial step to see if we want to join their organization. Dogs must be registered in the United Kennel Club to participate, dual registration with the AKC is allowed. Several board members had questions for her. The board decided to let her demonstrate one of their Hunt Tests on March 26 . All members, or potential members, are invited to participate and decide if we may want to sponsor some HRC events. To learn more about the HRC go to huntingretrieverclub.org.

George Rogers ask if we had any ideas for a date to do a cleanup day, in conjunction with the IRC, for the test grounds in Payette. Willie will check with the Land Manager and find out a possible date that won't interfere with their activities.

Next meeting will be January 5, 6:30 pm at K-2 construction.
