

TVHRC Meeting Minutes 11-20-14

Present were: Danny Kaiser, Louise Taylor, Willie Alderson, Jack Smith, Dina Perugini, Micah Duffy, Allyn Foster, Pete Eromenok, Ron Borton, Blaine Hyde and Judy Hyde at Cold Mtn. Creek in Emmett.

Ron will get the contract with Northwest Game Birds done and order birds for the training days and the Hunt Tests. He will order a total of 405 birds. He also advised there is a \$1.00 restocking fee if we take them back so we will need to try and sell extra birds.

Jack Smith reported that all the current officers have agreed to be nominated for another term. Dave Snider also would like to be put on the ballot for a board nomination.

Blaine will buy enough holding blinds so that the club has a total of 20. He will contact Butch Green and George Rogers (George has a supplier) and see what they have.

Louise suggested we get a 3 more canopies. Blaine and Dave will each donate one and Blaine will email the membership and see if someone else has one they would like to donate before Louise buys another one.

We discussed the option of buying more popper guns or gas guns. Popper guns - are easier to use, cost about \$150 and Ron will be able to continue to supply poppers at \$7.00/box for a while but we have to have at least 16 year olds at the gun stations. Gas guns - need a little practice before you use them, cost \$300, are cheap to use and we don't need to find help at least 16 years old to be in a bird station. The club voted to buy more popper guns to get to a total of 12. Blaine will count the guns we have that work and let Micah know as he will do some research on prices. Dave Snider donated one popper gun.

Dina is working on the Judges Seminar and has talked to the AKC. Possible dates are January 24, 31, and February 7. Blaine will email the membership and see what the interest is in having one. She has the ribbons and will get them counted so that we can get some ordered if needed.

The banquet has been scheduled for January 24. Blaine and Judy will contact Frank Kenny and get the deposit back and get the deposit and rental for this year paid. Micah will get the donations letters and banquet invites mailed out to the membership. This needs to be done soon in order for some donors to be able to participate.

It was generally agreed that the club needs a larger trailer, the one we have is 5x8. Blaine checked on several are 6X12's that were priced from \$1900 for used ones to \$2200 for a new one. Some thought that we needed a bigger one (14') and Micah will do some research on that size. If we buy a used we need to be careful of its condition (axel, tires, wheel bearings etc.)

Danny checked on his contact for hats. The price for an embroidered logo one color hat is \$8.00/100; the cost for camo is \$15/100. The cost for the ones like Bob ordered for the club, several different camo styles, is \$17/100. Willie is still checking on another source.

The next meeting will be on January 8, 6:30 pm at Cold Mtn. Creek.
