2. Holding blind poles (Micah Duffy). \$18 per holding blind or a little less for the new poles for the existing holding blinds. Blaine to count how many blinds in the trailer on Saturday to see how many we need to order. Motion was made to move forward with order....seconded... Motion passed.
3. Super Singles and Kids Hunt Test-Steve Thompson to be in charge.. Tentative date of August 4th at Lazy Bear. Steve will work out details and we'll discuss further at that time.
4. Decoy and Decoy Bags (training and tests): just going to continue using club member decoys and bags for events, no need to spend money to buy ones specifically for the club.
5. March 17 training day with ducks...tonight was the last night to reserve a duck for Saturday training. Blaine and Pete will get them ordered tomorrow morning (3/15). Due to weather parking at Webber's on Saturday could be tricky as we must keep vehicles off center piece of grounds, Heather to email membership & post to club Facebook page letting them know so that everyone can plan ahead.

6. Treasure State & Treasure Valley hunt tests: both are scheduled for same weekend and last year had someone sign up for one and show up at the other and therefore wasn't registered and couldn't run. Be aware when registering for Treasure Valley Hunt Test.

Next Board Meeting: Thursday, 4/5/12 at El Mariachi Loco in Star.

Motion to adjourn...seconded...motion passed.
