- A unanimous vote approved TVHRC's participation

- Judges have been finalized.
- Bob Burkett has reserved hotel rooms for the judges—after some thought he suggested that rather than having the judges share campers with members it would be better to use the hotel rooms. Approved on unanimous vote.

- Bob Burkett has reserved hotel rooms for the judges
- The Pony Club has sent mixed signals to Carol Rhea regarding their preparation of lunches on Saturday and Sunday. Debbie Ellis believes that they are doing it. Another possibility is PAWS.
